ENVIROSCIENCE CONSULTANTS, INC. NAMES INEZ BIRBIGLIA DIRECTOR OF BUSINESS DEVELOPMENT

RONKONKOMA, NY---- Enviroscience Consultants, Inc. has named Inez Birbiglia as its new Director of Business Development.

Ms. Birbiglia comes to Enviroscience with more than 20 years' management experience in the public sector, most recently serving as Deputy Commissioner of Parks, Recreation, and Cultural Affairs for the Town of Islip. Prior to Islip Town, Birbiglia served as Deputy Commissioner of Planning, Engineering and Environmental Protection for the Town of Brookhaven.

"We are pleased to embrace Ms. Birbiglia's extensive skill set to our growing workforce," noted Enviroscience Consultant, Inc. President Glenn Neuschwender. "Her talent will help us to expand our market share in this competitive industry, enter new markets, all the while serving and strengthening our existing client base."

Birbiglia is a New York native, has a BA in English from Dowling College, and has served on several Board's for various non-profit organizations. She won a NYS Journalism Award for investigative reporting and successfully ran a \$100 million Open Space/Environmental Bond campaign for the Town of Brookhaven in 2003.

"I am motivated to work with such a quality group of experienced professionals who meet the needs of their clients with the utmost respect, efficiency, and expertise. Joining the Enviroscience family and being part of a supportive team is so very encouraging," Birbiglia stated.

Enviroscience Consultants, Inc. is an environmental consulting firm specializing in asbestos, environmental remediation, lead related issues, indoor air quality (including New York State licensed mold inspections), subsurface investigations, construction inspection and testing services, occupational training and industrial hygiene. Established in 1998 by professionals with over 80 years of combined experience, our goal is to provide cost effective solutions and support to our clients throughout the Metropolitan New York area.
